RE: *TRQ No. 6 - Technical Requirements Document for SHDSL, HDSL2, and HDSL4 Digital Subscriber Line Terminal Equipment to Prevent Harm to the Telephone*

ACTA Secretariat:

The Committee T1 submits the technical criteria identified above for publication and adoption by the ACTA. In doing so, and pursuant to 47 CFR §68.604, Committee T1 hereby certifies that: (1) the organization is ANSI-accredited and in good standing under the Standards Committee Method or the Organization Method and has been during the development of the submitted technical criteria; (2) the submitted technical criteria does not conflict with any published technical criteria or with any technical criteria submitted and pending for publication (as determined through the public process observed in developing the submitted technical criteria); (3) the submitted technical criteria are limited to preventing harms to the Public Switched Telephone Network as identified in § 68.3; and, (4) the criteria were developed in accordance with applicable ANSI requirements.

The Committee T1 hereby grants the ACTA Secretariat the right to reproduce, distribute and publish the submitted technical criteria identified above (the "Material") for the limited purpose of public notification pursuant to 47 CFR § 68.608 and subsequent publication as adopted technical criteria for terminal equipment and to include the provision of free-downloads from the ACTA web site (the "Limited Purpose") (the "Grant").

In connection with the Grant, Committee T1 hereby represents and warrants that it owns all rights to the Materials, including as respects all copyrights thereto, or otherwise is authorized to grant such rights as respects the Materials, and all matters contained therein, to the ACTA Secretariat for the Limited Purpose. Committee T1 further represents and warrants that the Grant, and the ACTA Secretariat's use of the Materials consistent with the Grant, will not violate any rights of any third-party. Committee T1 agrees to hold harmless and indemnify the Administrative Council for Terminal Attachments, the ACTA Secretariat, its sponsors, and all persons acting on its behalf, of and from any and all claims, liabilities, costs and expenses (including reasonable attorneys' fees) arising from, relating to or incurred as the result of any use of the Materials by the ACTA Secretariat consistent with the Grant.
